ABOUT WIO UNIFORM

Wio Uniform is a brand that produces different types of workwear. The sectors we serve health, beauty, gastronomy, service industry, industrial, security, food industry .

As Wio Uniform, we are a global company with 60 years of production experience. Our headquarters and factory are one hour away from Istanbul. Our production facility has a closed area of 5500 m2. We have sales offices in New York, Berlin and Warsaw.

We export to more than 20 countries. No matter where you are in the health sector, we know how intensely you work. And again, we know that your work uniform that you wear all day becomes your part after a certain period of time. When we started production in 2014 with our 60 years of fabric experience, we took all these conditions into consideration and positioned ourselves as a lifestyle brand under the title of work uniform.

While Wio Uniform supports your performance with is breathable, durable, flexible and wrinkleresistant fabrics that meet the international OEKO TEX Standard 100, it also adds aesthetichs to your exterior with its wide color range and model variety. We have always aimed to achieve the better with the comments we receive from you, our valuable healthcare professionals, in our collections that we produce in our own factory with our own design experts. Comfort + functional design + style + durability are indispensable for Wio Uniform and actually represents one thing. We made it our motto as we set out on this journey.

Comfort at Work. Wio Uniform, which produces workwear for different sectors with the same sensitivity as well as the health sector, exports to 22 countries today. If we support your performance 24/7. 365 days a year, and make employees in different countries and sectors feel comfortable with our designs, this is Happiness at Work for Us.
